Dear Chris Brown:

Thank you for your letter of which I received on April 18/94. While I am aware generally of "environmental sensitivities" I am afraid that I cannot speak directly to the issues you raise. I can only presume that you are still speaking of "environmental sensitivities" in government-run institutions.

I am sure that you would have addressed this issue to the Minister of Health. If not, perhaps that is the place to take your concern.

Since I understand you have already called my office today on to see when I will respond I will in turn send this to you by fax.

Yours sincerely,

A handwritten signature in cursive script that reads "Gary Malkowski".

Gary Malkowski, MPP
York East

cc: Ruth Grier, Minister of Health
